Telling the difference between V1 and V2 V1 Version One, or V1 was the first version of Grand Theft Auto San Andreas released.. Version One is also 100% modifiable There are a few easy ways to tell if you have V1 1.. For those who don't know 'hot coffee' is when you get one of the 5 girlfriends to drink hot coffee, and that leads to a sex scene at the girlfriends house.

It was released on October 19th, 2004 (North America) This version has the controversial 'hot coffee'.
